Genoa: A Case Study

9 /11 May 2019 - Melia Hotel, Genoa

A three-day thinktank for Family Offices and Family Businesses
from all over Europe to discuss the subject of “Social Impact Investing”

In collaboration with:

Family offices & Family Businesses from all over Europe are invited to gather in Genoa and meet the Genoese families who have been building and investing in the city for generations.

Nowadays social impact investments have attracted a growing interest from Family Offices and Family Businesses around the world.

For centuries, Genoese families made the city renowned around the world and are now backing its renaissance from troubled urban landscape to a new hub for the Mediterranean area.
